PARTIES TO THE AGREEMENT

THIS AGREEMENT, hereinafter referred to as the "Agreement", is entered into this 10th day of June, A.D. 2008.

BY AND BETWEEN: DALHOUSIE UNIVERSITY, a body corporate, incorporated under the laws of the Province of Nova Scotia, hereinafter referred to as the "EMPLOYER".

Unless specifically expressed otherwise in this agreement, and in accordance with the University Benefits Plan, Regular Part-time Employees are entitled to the benefits of this agreement on a pro rata basis;
- (i) "Spouse" means a person who is either
 - (i) married through an ecclesiastical, religious, or civil ceremony to an Employee, or

ARTICLE 3.00 - Recognition

3.01 The Employer recognizes the Union as the sole and exclusive bargaining agent for all Employees in the **Bargaining Unit** described in Appendix "A". Except for arrangements which may have existed prior to March 10, 1982, or as may be authorized by the Union, no Employee shall be required or permitted to make a written or verbal agreement with the Employer which may conflict with the terms of this Agreement.

3.02 If new positions are established by the Employer which the Union claims to come within the jurisdiction of the **Bargaining Unit** as described in Appendix "A", the Parties hereto shall meet and attempt to reach agreement on such new positions. If no agreement is reached, the matter may be referred by either party to the Labour Relations Board (Nova Scotia) for final resolution and such employee shall remain outside the **Bargaining Unit** until a decision is rendered by the Labour Relations Board (Nova Scotia).

3.03 The Employer shall notify the Union of the proposed exclusion of any existing position from the **Bargaining Unit** and the basis for such exclusion. If the Union objects to the exclusion, the Parties shall

endeavour to reach agreement, and if no agreement is reached, the matter may be referred by either party to the Labour Relations Board (Nova Scotia) for final resolution.

ARTICLE 4.00 - Work Jurisdiction

4.01 Positions normally filled by **Employees** within the **Bargaining Unit** shall continue to be filled by **Employees** within the **Bargaining Unit**, but this shall not prevent contracting out, subject to the provisions of the Trade Union Act and the provisions of this collective agreement.

4.02 No **Employee** shall be laid off because the principal duties of her/his position are reassigned to, or assumed by, an employee outside the **Bargaining Unit**.

4.03 (a) Student employees shall not displace members of the **Bargaining Unit** or fill **Bargaining Unit** positions.

(b) The funding of any **Bargaining Unit** position shall not be changed from operating to grant sources for the purpose of excluding that position from the **Bargaining Unit**.

(c) Without restricting the right of the Employer to establish and maintain appropriate management structures, the assignment of nominal management functions shall not result in the exclusion of a position from the **Bargaining Unit**.

ARTICLE 5.00 - Contracting Out

5.01 No **Employee** shall be laid off due to the contracting out of work normally done by members of the **Bargaining Unit** providing the **Employee** agrees to relocation. Every effort will be made to relocate such **Employee** to a comparable position. A relocation under this article shall be in accordance with the provisions of Article 11.09. It is understood that the posting process may be suspended to facilitate relocation.

5.02 Contracting out without notice may occur only to the extent required to maintain normal operations and to compensate for fluctuations in service levels and demand.

5.03 Prior to finalizing any decision about contracting out all or a significant part of the services provided by members of the **Bargaining Unit**, the Employer agrees to advise the Union of its intention to contract out with supporting reasons. The Employer shall meet with the Union as soon as possible but no later than thirty (30) days of such advice in order that the Union may consult and/or make representations on the matter to the Employer.

Should the Employer thereafter decide to contract out, a further thirty (30) days' notice will be given to the Union, prior to such contracting out. During this thirty (30) day period the Employer and Union will meet to discuss the process for relocation of any Employees thus affected as per Article 11.

5.04 The Union shall be provided with information relating to a specific instance of contracting out upon request to the **Director of Employee Relations, Human Resources**.

ARTICLE 6.00 - Union Security and Check Off

6.01 No Employee is required to join the Union as a condition of employment. However, each Employee, whether or not a member of the Union, shall pay the equivalent of Union dues to the Union.

6.02 The Employer shall deduct any monthly Union dues and initiation fees from each Employee in the **Bargaining Unit**, including Regular Full-time, Regular Part-time and Term Employees, in accordance with the Union's Constitution and By-Laws.

6.03 Deductions shall be made from each monthly payroll and shall be forwarded to the Treasurer of the Union not later than the seventh (7th) day of the next month, accompanied by a list of names of Employees in the **Bargaining Unit** from whose salaries such deductions have been made.

6.04 At the same time that Income Tax (T-4) slips are made available, the Employer shall supply to the Union without charge an account of the amount of Union dues paid by each Employee in the **Bargaining Unit** in the previous calendar year. Such amounts will be indicated on each Employee's Income tax (T-4) slip.

ARTICLE 7.00 - Union Officers and Stewards

7.01 The Employer acknowledges the right of the Union to elect officers and appoint stewards from within the **Bargaining Unit** and recognizes that it is the function and duty of such officers and stewards to assist in the administration of this agreement.

7.02 Up to twelve (12) such officers and up to thirty-two (32) such stewards shall be identified by the Union to the **Director of Employee Relations, Human Resources** from time to time in writing.

7.03 The Employer agrees to allow reasonable time off without loss of regular pay for officers and stewards so identified to assist in the administration of this agreement. Permission of the supervisor shall be obtained before leaving the job and such permission shall not be unreasonably withheld.

7.04 Stewards, or recognized substitutes, will have reasonable time-off without loss of regular pay for the investigation and handling of grievances, within their assigned areas.

- (a) Before leaving her/his department the steward shall obtain the permission of the responsible supervisor. S/he will advise the supervisor of the reason for the absence and an estimate of the time required. As much notice as is reasonably possible will be given.
- (b) Prior to entering another department to meet with a grievor the steward must obtain the permission of the responsible supervisor.
- (c) Permission relating to (a) or (b) above shall not be unreasonably withheld. If permission is not granted, the steward shall be informed of the reason.

7.05 The President of the Union, or designate, may meet with new members of the **Bargaining Unit** following **Human Resources** documentation sessions to explain to new Employees the benefits and duties of Union membership.

7.06 The Employee Relations Officer of the Union shall have access to the University's premises as may be required to discuss matters of mutual concern with representatives of the University or to observe conditions at the workplace but such access shall not interfere with normal departmental operations.

7.07 (a) The Employer agrees to recognize a negotiating committee to be appointed by the Union for the purpose of representing the Employees in negotiations for the renewal of this Collective Agreement. The committee shall consist of a chief negotiator and not more than four (4) Employees or their alternates who shall not suffer any loss of pay for the time spent, during their normal working hours, in meetings with the Employer, or at conciliation, provided the Parties have made reasonable efforts to reach agreement on outstanding issues.

(b) Such Employees shall give as much notice as possible to their supervisor when requesting leave pursuant to this article and the granting of such leave shall be subject to operational requirements.

7.08 Where operational requirements permit, and on reasonable notice, the Employer may grant special leave without pay to Employees who:

- (i) are elected as members of the Board of Directors of the NSGEU;
- (ii) attend the Union's Convention;
- (iii) participate in training programs provided by the Union; or
- (iv) attend meetings of Committees or Councils of the Union.

Such leaves shall not total more than ten (10) days per annum per Employee, unless the Parties agree to a greater number for an Employee. However, the total number of days for the **Bargaining Unit** shall not exceed ninety (90) days in a calendar year.

7.09 Where operational requirements permit, an Employee who has been elected as full-time President of the NSGEU shall be granted a leave of absence without pay for that period of time agreed to by the Parties at the time of the request for leave. Such Employee shall return to their former or equivalent position upon expiration of such agreed upon time period. Where possible, under the terms of the University's benefit plan, an Employee may continue to participate in benefit plans provided that the Employee shall be responsible for both the Employee and Employer contributions or premiums.

ARTICLE 8.00 - Union Notices and Meetings

8.01 The Employer will permit the posting of notices on Union notice boards concerning meetings, nominations, elections, lists of officers and stewards, job postings, Union social events and other matters which have been approved by the Union Executive Committee.

8.02 The Employer shall endeavour to arrange work schedules so that an Employee may attend monthly general meetings of the Union during the lunch break at least once every two months.

8.03 The Employer shall endeavour to provide space for general meetings and monthly stewards' meetings of the Union.

ARTICLE 9.00 - Statistics Concerning Employees

9.01 The Employer shall provide the following data elements from Employees' files to the Union on a monthly basis; employee name, employee number, department name, department number, employment date, classification, step level, status (FTE/Sessional), pregnancy/parental leave, leave of absence and termination dates.

9.02 The Employer shall endeavour to provide the Union with such information relating to Employees in the Bargaining Unit as may be required for collective bargaining purposes.

9.03 Upon request the Employer shall provide information on the level of student employment and/or work experience placements, by department.

ARTICLE 10.00 - Seniority

10.01 Except as otherwise provided in this article, seniority shall be defined as the length of an Employee's compensated service with the University (excluding service as a Temporary employee) excluding overtime since the most recent date of hiring.

10.02 Employees of the University who transfer from outside the **Bargaining Unit** into positions in the **Bargaining Unit** shall not retain previously earned seniority for the purpose of determining lay-offs under Article 11.03 unless such seniority had been earned as a member of the **Bargaining Unit** or in a position excluded from the **Bargaining Unit** because of the confidential nature of the work and which is classified in accordance with Article 26.00, or in a position which is included in the **Bargaining Unit** as a result of the Union seeking inclusion of their position in the **Bargaining Unit**.

10.03 (a) An Employee who proceeds on an approved leave of absence without pay shall retain the seniority acquired up to and including the last day of work provided that the period of absence does not exceed twelve (12) months. Seniority shall not accumulate during the period of such absence. Approved leaves of absence of up to ten (10) working days per year shall not affect an Employee's seniority.

(b) An Employee shall continue to accumulate seniority throughout the term of an approved pregnancy leave.

(c) An Employee who is laid off (excluding sessional lay-offs) shall retain the seniority acquired up to and including one month beyond the last day of work provided that the period of lay-off does not exceed twelve (12) months. For lay-offs of Recurring Sessional Employees, such Employees shall retain seniority acquired up to and including ten (10) working days beyond the last day of work. Seniority shall not otherwise accumulate during the period of such lay-off.

10.04 Seniority and employment shall be considered broken:

(a) if an Employee voluntarily terminates employment at the University; or

(b) if an Employee is discharged and not reinstated by the grievance procedure; or

(c) if an Employee is absent from work because of illness or injury for a period in excess of thirty (30) months or when their rights expire pursuant to Article 34.08; or

- (d) if an Employee has been laid off for a period in excess of twelve (12) consecutive months; or
- (e) if an Employee who has been laid off declines to have her/his name placed on the re-employment list, voluntarily withdraws her/his name from the re-employment list, refuses to accept an offer of a position in the same classification as the original position, or subsequent to receiving notice of lay-off, neglects to reply within two (2) weeks to communications sent by the Employer to the last reported address.

10.05 (a) Within six (6) months of the signing of this agreement and annually thereafter by July 1st, the Employer shall post and shall provide to the Local President and Secretary, a seniority list setting out each Employee's seniority date **as of June 1st**, calculated in accordance with the terms of this agreement and based on records available in **Human Resources** as of the date such calculations are made.

(b) Upon posting of the initial list, each Employee shall have three (3) months to challenge her/his seniority date in writing to the **Director of Employee Relations, Human Resources**, with evidence of any past paid service which has not been included in the calculations. Otherwise, the seniority list as posted shall be deemed to be correct.

(c) Annually thereafter, an Employee, **the Union, or the Employer** will have thirty (30) working days from the date that the list was posted to challenge her/his seniority date in writing, to the **Director of Employee Relations, Human Resources** with evidence of any past paid service for the applicable year which has not been included in the calculation. Otherwise, the seniority list as posted shall be deemed to be correct.

ARTICLE 11.00 - Lay-off, Redeployment, Recall and Severance Pay

Lay-off

11.01 In the application of any provision of this article, the Employer shall avoid the use of its right to lay-off long service Employees (ten (10) years seniority or more) until it has exhausted all other avenues to facilitate the continuing employment of such Employees. In any event, the reduction of positions shall be achieved, where possible, by attrition.

11.02 The Employer shall inform the Union of any pending lay-off in accordance with Article 13 and upon request, will schedule a meeting with the Employee present as soon as possible after the organizational change meeting, in order that both parties may make every reasonable effort to facilitate continuing employment elsewhere in the **Bargaining Unit**. Employees shall continue to receive notice of any change concurrent with the organizational change meeting.

11.03 If lay-offs become necessary, such lay-offs shall take place from among those Employees doing similar work within the department in the reverse order of seniority, the Employee with the least seniority being laid off first. A department, for the purposes of this clause, shall refer to an academic department within a faculty or a distinct operational unit serving a specific and distinguishable function and with its own supervisory structure.

11.04 Employees who are to be laid-off shall be given minimum prior notice in writing, or pay in lieu thereof, as follows:

Compensated Service

Since Date of Last Hire

Written Notice

Less than two (2) years	Four (4) calendar weeks
Two (2) but less than five (5) years	Eight (8) calendar weeks
Five (5) but less than ten (10) years	Twelve (12) calendar weeks
Ten (10) but less than fifteen (15) years	Twenty (20) calendar weeks
Fifteen (15) or more years	Twenty-four (24) calendar weeks

“Service”, for the purpose of this article, shall exclude service as a **Temporary** employee except temporary service that has been credited toward his/her probationary period in accordance with Article 17.02.

In each case a copy of such notice will be sent to the Union. Acceptance of pay in lieu of notice shall not alter a laid-off Employee's rights under this article, and her/his name shall be placed on the re-employment list as of the expiry date contained in the notice of lay-off.

11.05 Training Assistance

Employees who have been given notice of lay-off shall be eligible on request for reasonable training at the University unless the University can substitute an equivalent course elsewhere at less cost, to develop their job skills if the provision of such training would assist in their redeployment or relocation within the University and can be completed during the notice period of lay-off. Such a request shall not be unreasonably denied even though such training program or course may extend beyond the final date of the notice period of lay-off, with the understanding that, under normal circumstances, salary and benefits shall not continue beyond the final date of the notice period of lay-off. Tuition shall be waived for any such reasonable training that is approved by the University. This shall not prevent the Employee from proposing a cost sharing arrangement with the Employer if they are requesting training that goes beyond a reasonable amount of training.

11.06 When an Employee receives a notice of lay-off, her/his name, address, telephone number, department, classification and seniority date shall be placed on a re-employment list. This list shall be maintained by the Employer, but it shall be the responsibility of the Employee, or laid off Employee, to keep the Employer informed of her/his current address and telephone number. The Union shall be provided with the up-to-date re-employment list and shall be advised of changes as they may occur. The name of such an Employee or laid off Employee shall remain on the re-employment list for a period of up to twelve (12) months following her/his last day of work as determined in the lay-off notice, unless s/he successfully relocates to another position.

Redeployment

11.07 All vacancies shall be reviewed and postings selectively suspended by agreement between the Employer and the Union in those instances where an Employee who has been given notice of lay-off appears to be qualified to fill any comparable position to be posted. In the event of disagreement between the Employer and the Union, the position will be posted.

11.08 Employees who have been given notice of lay-off shall receive priority consideration as specified in Article 11.10 for all comparable positions for which they are qualified. The initial appointment to one of these will be by temporary transfer. In accommodating such transfers University departments will provide an additional one (1) month's training, if necessary, beyond the normal familiarization period for new staff. During the first three (3) months in such an appointment an assessment of performance against position

requirements will be conducted after one (1) month and after three (3) months. If, during this period, either the Employee or the department wishes to terminate the temporary transfer, the Employee will be laid off at that time, or when the original notice of lay-off expires, whichever is later. If a transfer is mutually satisfactory at the conclusion of the three (3) month assessment period, it shall be confirmed in writing and the Employee shall become a regular staff member in the department.

11.09 Where an Employee who is on notice of lay-off accepts:

- (i) a position in a higher classification, no decrease in salary shall result;
- (ii) a position in a lower classification pursuant to Article 11.08 the Employee's salary shall be maintained until it may be slotted into a higher step in the appropriate salary scale as follows:
 - (a) if the Employee's salary is greater than the maximum step for the new classification, it shall be maintained until exceeded by such maximum and increased to the new maximum at that time;
 - (b) if the Employee's salary is within the range established for the new classification, it shall be maintained until her/his next normal anniversary date and increased to the next higher step at that time;
- (iii) a position in the same classification, her/his salary and anniversary dates shall remain unchanged.

11.10 Qualified persons whose names are on the re-employment list shall be given priority consideration by seniority for all appropriate vacancies which may occur within the **Bargaining Unit**. For this purpose priority consideration shall mean that the Employee shall be considered first to determine whether, in the Employer's assessment, s/he has the requisite skill, aptitude and ability to perform the basic duties of the job in a satisfactory manner. Such consideration shall be without competition from any other Employee unless there are two or more persons on the re-employment list who apply for the vacancy concerned, in which case the criteria specified in Article 25.04 shall be applied. Appropriate vacancies shall be those at the same classification level for which the person is qualified.

11.11 A redeployed Employee shall serve a three month assessment period. The department head may terminate this arrangement based on her/his assessment of the Employee's job performance during or at

the end of the assessment period. The Employee may also terminate this arrangement during or at the end of the assessment period. In either case the Employee shall revert to lay-off and eligibility for recall shall expire in accordance with the original notice of lay-off given under Article 11.04. Despite the above, in the first instance that the Employee terminates such an arrangement eligibility for recall shall be extended by the amount of time spent in that position.

11.12 Persons on the re-employment list may be offered positions in another classification. Where an Employee refuses an offer of a position at a lower classification, her/his name shall remain on the re-employment list. Neither acceptance nor refusal of temporary employment shall restrict a laid-off Employee's rights under the collective agreement.

Recall

11.13 A person whose name is on the re-employment list shall be offered her/his original position before other candidates are considered. If s/he should accept this position an assessment period shall not be required. Where job requirements within the same department are similar, candidates shall be recalled in order of seniority, the person with the most seniority being rehired first.

11.14 Formal offers of employment, redeployment or recall shall be in writing with copies sent to the Union. Employees shall have two (2) weeks from receipt of recall notice to return to the service of the Employer, unless on reasonable grounds he/she is unable to do so.

11.15 Severance Pay

An Employee with three (3) years seniority may opt for severance unless an offer of alternative employment at the same or higher classification has been made or is pending. An Employee electing to request severance pay and forego any remaining entitlement to redeployment and recall shall notify the Employer of her/his choice at least one (1) week before the expiry of the lay-off notice. Once one-half (1/2) of the period of notice of lay-off has expired, the election to take severance pay shall be irrevocable by either party without the mutual agreement of the parties. For Employees with at least three (3) years seniority but less than ten (10) years seniority, severance pay shall be two (2) weeks pay. For employees with at least ten (10) years seniority, severance pay shall be one (1) week of pay for every one (1) year of full-time or pro rated equivalent paid service since date of last hire by the Employer.

ARTICLE 12.00 - Technological Change

12.01 If the Employer decides to introduce new machinery, equipment or material which will adversely affect the employment of any member of the Bargaining Unit, it shall notify the Union at least three (3) months before such changes take place. The Employer will meet with the Union during this period in order to consider measures which might be taken to assist Employees so affected or to consider other viable solutions.

12.02 An Employee whose employment will be or is directly affected by technological change shall be eligible for a reasonable amount of retraining at the Employer's expense in order to qualify the Employee to perform the new or altered duties in the same position, or a new position which may result from such change, or in order to qualify for alternative employment at the University consistent with the procedures in Articles 11.07 and 11.08.

12.03 In the event that new positions do not result from technological change or that reasonable retraining is not available or acceptable to affected Employees, the Employer shall make every reasonable effort to relocate them to other suitable positions within the **Bargaining Unit** consistent with past responsibility and salary level and with due consideration being given to the personal wishes of individual Employees.

12.04 In order to facilitate the relocation of Employees affected by technological change the job posting requirements of this agreement may be suspended by mutual agreement between the Parties.

ARTICLE 13.00 - Organizational Change

13.01 The Employer shall advise the Union as far as possible in advance of any action, including re-organisation within a department or abolition of a position, which will result in a continuing unilateral reduction of an individual Employee's regular hours of work or an Employee's classification downgrade, lay-off or re-deployment.

13.02 Without precluding the Employer's right to implement change, no change will be implemented until the **Director of Employee Relations, Human Resources**, has arranged a meeting of the Parties to discuss the method of handling the necessary staff changes and the fair and equitable treatment of any Employee affected.

ARTICLE 14.00 - Management Rights

14.01 The Union acknowledges that the primary functions of the University are to provide teaching and research services and facilities for students and faculty members of the University, with arrangements for services and facilities dictated primarily by the interests of students and faculty members.

14.02 The Union acknowledges that management and administration of services and facilities within the University are decentralized and that it is the exclusive function of the Employer to determine the authority delegated to those directly concerned with the provision of particular services and facilities.

14.03 The Union acknowledges it is the exclusive function of the University to ensure the provision of teaching and research services and facilities in the interests of students and faculty members by all reasonable measures. There shall be no strikes, lockouts, sit-downs, slow-downs, boycotts, picketing or any curtailments or stoppages of work or concerted action resulting in restriction of, or interference with, the University's operations or others concerned in providing teaching and research services and facilities.

It is agreed that in the event of a strike or lockout that essential services shall be provided by members of the Bargaining Unit. Accordingly the Parties have agreed that the following Employees may be required to work during a strike or lockout:

- 1 Employees required to perform duties related to the care of animals under the direction of the Director of Animal Care to meet the requirements of the Canadian Council of Animal Care.

2. Employees working in the Aquatron.
3. Employees working in those areas producing liquid nitrogen.

This list may be revised by mutual agreement between the Parties at any time.

14.05 Subject to the terms of this Agreement, the Union acknowledges that it is the exclusive function of the Employer to:

- (1) maintain order, discipline and efficiency;

probationary period may apply freely and without prejudice for any position posted under this article. On enquiry to the Coordinator, Staffing Services or designate, Employees shall be provided with any available information about a posted position in complete confidence.

25.06 Where an Employee is an unsuccessful applicant for a job vacancy or a new position within the **Bargaining Unit**, that Employee shall be notified within two (2) working days of the decision. If an Employee wishes to have feedback on their application or interview, they may contact the Coordinator, Staffing Services.

25.08 Where an Employee is a successful applicant for a job vacancy or a new position carrying the same or a higher classification, there shall be no decrease in salary as a result of the move.

Eligible applicants from within the **Bargaining Unit**, as determined by Staffing Services in consultation with the employing department, shall be interviewed and considered by the employing department and informed of the decision by the Coordinator, Staffing Services, before external candidates are interviewed and considered by the employing department.

26.05 If an Employee's duties are altered significantly by the introduction of new machinery, equipment, material, a change in procedures or a restructuring of duties within a department, the supervisor shall advise the Job Evaluation Unit, **Human Resources**, in writing and the job shall be provisionally rated. Where a provisional rating indicates a change in classification Article 26.15 shall apply. The provisional rating shall become effective on the date these duties were first assigned and performed.

26.06 All jobs within the Bargaining Unit holding provisional rating shall be evaluated within four (4) to eight (8) months of the date the position is filled, providing the same incumbent is in the job and the Job Fact Sheet has been completed.

26.07 Rating decisions of the job analyst or of the Job Evaluation Committee, when the job analyst has requested the committee to initially rate the job, shall be reported to the supervisor and the incumbent within five (5) working days of the rating decision being made, subject to Article 26.09 herein, and shall be implemented effective the beginning of the month in which the Job Evaluation Unit, **Human Resources** receives the Employee's portion of the Job Fact Sheet.

26.08 The Employer will supply to a designated officer of the Union substantiating data sheets as jobs are evaluated and/or after jobs go through job evaluation appeals. The Union agrees that this information will be kept confidential by this Officer, and will only be used by her/him to advise members, in general terms without release of specific data, why jobs have been classified as they are, and to assist members going through job evaluation appeals.

26.09 Any objections to the rating decisions as outlined in 26.07 shall be appealed to the Job Evaluation Committee within fifteen (15) calendar days of receipt of the Job Evaluation decision. Decisions on such objections shall be reported to the supervisor and incumbent within five (5) working days of the meeting date, and shall be implemented in accordance with 26.07. There shall be no recourse for re-evaluation beyond the appeal process.

26.10 The Job Evaluation Committee shall be made up of two (2) Union representatives and two (2) Employer representatives, plus the Coordinator of the Job Evaluation Unit, or designate who, shall act as Chairperson. The Chairperson will be someone other than the analyst who originally rated the position; however, an analyst will attend Job Evaluation Committee meetings as a resource to the committee. Both the incumbent and the immediate supervisor shall be invited to appear before the committee on any objections raised under 26.09 above.

26.11 In review of the position during the appeal process, the Job Evaluation Unit will circulate the Job Fact Sheet and the letter of appeal to be used in the appeal at least five (5) days prior to the meeting.

26.12 The Job Evaluation Committee may review aspects of the Job Evaluation Program and recommend such revisions as it considers necessary. Such recommendations shall be made to the Coordinator of the program but shall not be implemented without the agreement of the Union and the Employer, which

agreement shall not be withheld unreasonably.

26.13 There shall be no additions to the job classifications and wage levels specified in Appendix "B" except as may be approved in advance by the Union and the Employer.

26.14 Newly-created jobs which fall within the jurisdiction of the Bargaining Unit shall be provisionally rated according to established procedure before applicants may be recruited.

26.15 (a) Where job reclassification or evaluation results in moving to a higher classification, no decrease in salary shall result. The Employee's projected salary income in the new classification over the ensuing twelve (12) months shall exceed by at least four percent (4%) what it would have been in the old classification over the same period.

(b) Where job reclassification or evaluation results in moving to a lower classification the Employee's salary shall be maintained until it may be slotted into a higher step in the appropriate salary scale as follows:

(i) if the Employee's salary is greater than the maximum step for the new classification, it shall be maintained until exceeded by such maximum and increased to the new maximum at that time,

(ii) if the Employee's salary is within the range established for the new classification, it shall be maintained until the next normal anniversary date and increased to the next higher step at that time.

26.16 No Employee shall refuse to participate in the Job Evaluation Program but, on request, may defer such participation for a maximum period of three months if the Employee and the supervisor give notice to the Job Evaluation Unit, **Human Resources** that the position is currently undergoing change. If this period is exceeded, there shall be no increase in the then current rate of pay.

26.17 The time limits set out in this article may be amended by the agreement of the

Retroactive approval will not satisfy this requirement except under conditions when the supervisor or delegate is not readily available.

28.03 The Employer shall:

- (a) make every reasonable effort to equitably distribute overtime among qualified Employees in a department taking appropriate account of seniority when making any initial allocation,
- (b) give a minimum of one (1) hour's advance notice of overtime as circumstances permit,
- (c) offer overtime on a voluntary basis, however, where operational requirements dictate, overtime shall be mandatory when assigned by the responsible supervisor or delegate.

28.04 The Union is entitled to consult the Employer or its representative whenever it is alleged that Employees are required to work unreasonable amounts of overtime.

28.05 An Employee shall be advised of the form of compensation at the time the assignment of overtime work is made. Subject to Article 28.01 and 28.02, an Employee shall be either compensated at the rate of time and one-half her/his normal rate of pay for overtime worked and the rate of double the normal rate of pay for overtime worked on a holiday, a day declared to generally be observed in lieu of a holiday, or day off; or, in lieu of overtime pay, granted time off in lieu of overtime pay equal to time and one-half or double the amount of overtime actually worked, whichever is applicable.

28.06 (a) Where time off with pay in lieu of overtime hours worked has not been granted prior to the end of the calendar month immediately following the month in which the overtime was worked, compensation for overtime shall be paid unless the Employee, with the approval of the immediate supervisor or department head, prefers to accumulate the time for a specified

later date.

- (b) All such accumulated overtime shall be taken within twelve (12) months of the date the overtime was worked or pay in lieu thereof, at the overtime rate, shall be included in the earliest regular pay thereafter. This period may be extended if such time off cannot be granted due to operational requirements.

28.07 An Employee who is required to work a minimum of three (3) consecutive hours overtime following her/his normal scheduled work day shall, where it is practicable, be granted a reasonable period without pay to enjoy her/his usual meal time before commencing such work. If this is not practicable, an unpaid meal break may be scheduled by the supervisor during or after the overtime period and under such conditions the Employee shall be reimbursed expenses for one meal in the amount of \$7.00 except where a free meal is provided.

28.08 An Employee who has been required to work at least one (1) hour beyond her/his regular hours of work and beyond 8:00 p.m., shall, on presentation of an appropriate receipt, be reimbursed for taxi fare to her/his place of residence to a maximum of \$15.00.

28.09 In computing overtime, every segment of a quarter hour worked shall be regarded and paid as one complete quarter hour.

28.10 In the computation of overtime, an Employee who is on authorized leave with pay, including sick leave, shall be deemed to have worked (a) normal working day(s) while on such leave.

28.11 By prior mutual agreement with the supervisor, an Employee may make up time missed from work which would otherwise be deducted from pay. Such time may be worked in excess of the regular work day and shall not be computed as overtime.

ARTICLE 29.00 - Medical/Dental Appointments

29.01 The Employer may, at its discretion, grant leave with or without pay for medical/dental appointments. Employees shall make every reasonable effort to arrange these appointments outside their

regular working hours.

29.02 Upon request, an Employee shall be required to provide confirmation of the time of the medical or dental appointment and/or confirmation that they were unable to schedule such appointment outside their regularly scheduled hours of work.

ARTICLE 30.00 - Temporary Assignment

30.01 An Employee who is temporarily assigned for a period of six (6) months or less to perform in a classification paying a higher rate, shall be paid a premium for the entire period of assignment which is 7 1/2% of her/his existing rate of pay unless this results in a higher rate of compensation than the top of the classification of the position they are assigned to, in which case they shall receive a premium which is the difference between their existing rate of pay and the maximum hourly rate of the position they are assigned to fill temporarily (overtime is applicable to the premium as well) provided the Employee has worked in the higher classification for a period of at least two (2) weeks. Where the temporary assignment exceeds six (6) months, the Employee shall be paid thereafter at a rate which is 7 1/2% higher than her/his existing rate of pay unless this results in a higher rate of compensation than the top of the classification of the position they are assigned to, in which case they shall receive a rate which is the maximum hourly rate of the position they are assigned to fill temporarily. (The higher overtime rate shall apply as well.)

30.02 When an Employee is temporarily assigned to perform work in a classification paying a lower rate, s/he shall be paid at her/his regular rate.

30.03 An Employee who is temporarily assigned to another position under this article shall normally be relieved of the responsibilities of her/his regular position during the period of her/his assignment.

30.04 An Employee who is temporarily assigned to another position under this article shall upon completion of such temporary assignment, return to their former or comparable position.

ARTICLE 31.00 - Shift Work

31.01 An Employee will be considered to be on shift work when one-half of the regularly scheduled hours fall between 6:00 p.m. and 8:00 a.m.

31.02 An Employee who has worked a full scheduled shift, (in accordance with Article 31.01), of six and one-half (6 1/2) hours or more shall receive a premium of **\$4.25** for each shift so worked. This shall not apply to overtime shifts.

31.03 The regular daily and weekly hours of work for Employees who work shift may be other than six and one-half (6 1/2) hours per day, and thirty-two and one-half (32 1/2) hours per week. When a position requiring shift work is posted, the shift rotation and daily hours of work will be indicated, and shall then be considered the regular hours of work for that position. Subsequent changes to regularly scheduled hours of work are subject to Article 27.06.

Notwithstanding the foregoing, the regular hours for full-time Employees who work shift shall normally average 1690 hours per year.

31.04 Overtime shall be governed by Article 28.00.

31.05 Vacation and holidays for Employees who work shift shall be governed by Article 37.00 and Article 38.00.

31.06 There shall be no right of postponement or accumulation of vacation but, subject to the discretion of the Employer and the continuity of essential services within the department concerned, a maximum of one (1) full work week of their shift rotation may be deferred at the Employee's request to the following vacation year.

ARTICLE 32.00 - Call-in and Standby

32.01 (a) An Employee called in to work without previous notice outside her/his scheduled working hours shall be paid at time and one-half her/his regular rate of pay for the hours worked with a minimum of four (4) hours regular pay; except, when called in on days off, s/he shall be paid at the rate of double her/his regular rate of pay for the hours worked with a minimum of four

(4) hours regular pay.

- (b) When an Employee is called at home by an employee of the University who is authorized by the Department Head to assign work, outside of scheduled working hours, and is required to perform a service from home as a result, s/he will be paid at time and one-half her/his regular rate of pay and at double her/his regular rate of pay on a day off for the time required to perform such service with a minimum of fifteen (15) minutes regular pay.
- (c) Time off may be substituted for payment at the applicable rate as agreed by the Employer and the Employee.
- (d) In no such case shall an Employee claim more than four (4) hours' pay at the applicable rate in a four (4) hour period pursuant to 32.01 (a) or more than fifteen (15) minutes at the applicable rate in a fifteen (15) minute period pursuant to 32.01 (b).

32.02 For the purpose of this article an Employee on "standby" duty is one who has been designated in advance by the Employer, through the responsible supervisor and the **Director of Employee Relations, Human Resources**, to hold her/himself readily available for the period of such duty to report to work on short notice when requested through a pre-arranged channel.

32.03 An Employee qualified under Article 32.02 shall be paid **\$1.50** per hour of standby.

ARTICLE 33.00 - Wage Rates

33.01 The rates of pay set forth in Appendix "B" shall become effective on the dates therein specified.

33.02 The rates of pay set forth in Appendix "B" are derived from "Step 4" rates for Employees hired prior to August 22, 2002, as follows:

Step 1 82%

Step 2 87%

Step 3 93%

Step 4 100%

For Employees hired on or after August 22, 2002, the rates of pay set forth in Appendix “B” are derived from the top step of each scale as follows:

3 Step Scale Step 3 82%
 Step 4 91%
 Step 5 100%

4 Step Scale Step 2 82%
 Step 3 87%
 Step 4 93%
 Step 5 100%

5 Step Scale Step 1 82%
 Step 2 87%
 Step 3 92%
 Step 4 96%
 Step 5 100%

33.03 Unless paid at the top of their scale, an Employee shall advance to the next higher step on the first day of the month next following completion of twelve (12) months satisfactory service in a particular step and classification. When an increment is withheld, the increment may be granted at any subsequent time when, in the Employer's opinion, the performance deficiencies giving rise to the withholding have been corrected. Such date shall become the Employee's anniversary date for subsequent progressions within the same classification. The reason(s) for withholding an increment shall be given to the Employee in writing. In the event an increment is withheld, the Employer will meet with and re-evaluate the Employee (with confirmation in writing) at least every three months thereafter until the increment is granted, provided the Employee remains in the position.

33.04 A new Employee shall be paid at the rate set forth as "Step 1" in the appropriate classification, unless hired at Step 2 on account of relevant experience, and shall advance to the next applicable step effective the first day of the month next following completion of twelve (12) months service in the same classification. Such date shall become the anniversary date for subsequent progressions within the same classification.

33.05 If a position is reclassified to a higher classification the Employee shall not be eligible for a progression advance until a minimum of twelve (12) months in the new classification has been served. Such Employees shall advance to the next higher step on the first day of the month next following the completion of twelve (12) months service in that step and classification, except where Article 26.15(a) applies.

33.06 In those cases where an Employee's salary is in excess of the maximum established for her/his classification under Appendix "B" of this Agreement her/his salary shall be maintained and not subject to adjustment of any kind. In any event salaries shall not be increased beyond these maxima ("Step 4") during the term of this Agreement.

33.07 For the purpose of determining appropriate dates for step progression as noted herein, unpaid leaves of absence, including pregnancy and parental leaves without pay, in excess of six (6) consecutive weeks shall not be considered as qualifying service.

ARTICLE 34.00 - Sick Leave

34.01 All regular Employees qualify for sick leave benefits provided in this article (for probationary Employees see Article 15.04). Sick leave is defined as the period of time an Employee is absent from work with full pay as a result of a disabling injury or illness and is seeking appropriate medical treatment.

34.02 An Employee who is unable to report for work due to illness shall inform her/his supervisor at least two (2) hours before the beginning of their shift, where required on a departmental basis unless it is not reasonably possible for the Employee to do so. In any event, as much notice as possible will be given. Employees shall be notified of the required method of providing notification.

34.03 When illness or injury causes absence from work the following shall apply:

- (a) The Employer may require medical evidence but not normally for periods of less than five (5) consecutive working days. Such medical evidence shall:
- 1) verify the disability or illness;
 - 2) verify any inability to carry out normal duties;
 - 3) **indicate the date(s) the Employee was seen by the physician and confirm that the Employee is seeking appropriate medical treatment;**
 - 4) provide an estimated date of return to work;
 - 5) **verify whether an accommodation can be made to enable the Employee to perform their normal duties or modified duties.**

Failure to provide such evidence may result in disciplinary measures. The Employer shall make every reasonable effort to accommodate the Employee in performing their normal duties or in finding alternate related duties in the department if an Employee is unable to perform their own duties due to illness or injury, and such requirement is substantiated by medical certification.

- (b) If an Employee requests, and with the agreement of the department head of the employing department, medical certification requested to assess a claim for paid sick leave and provided to the Employer, may be forwarded to **Human Resources** for assessment. If the department
- (c) head does not agree, the assessment will be made in consultation with **Human Resources**. This information will be kept in a secure location and will be handled with utmost confidentiality. **Human Resources** will inform the employing department of:
- a) approval or denial of the claim for paid sick leave
 - b) whether further medical information is being sought
 - c) the estimated date of return to work and any subsequent revisions to the return date
 - d) the return to work schedule, if applicable
 - e) any functional limitations upon the Employee's return to work.
- (c) Frequent periods of sick leave may be reviewed in accordance with Article 34.04 (b) to determine if the Employee is medically fit to carry out responsibilities on a full-time basis.

- (d) Full salary shall be paid for the first one hundred and twenty-five (125) working days of sick leave in any 12-month period.
- (e) Following the elimination period under the terms of the **long term disability plan** then in effect (125 days, excluding Saturdays, Sundays, and Holidays, prior to age 65, as of the date of signing of this collective agreement), eligible Employees shall claim any entitlement under the terms of such program.

34.04 An applicant for employment or an Employee may be required to undergo without cost to such Employee, medical examinations by a physician of the Employer's choice in the following instances:

- (a) prior to employment but following an offer of employment, provided the medical information sought relates to a bona fide occupational requirement for the position applied for.
- (b) in order to obtain health certificates, where the Employer in its discretion deems it necessary or desirable, including cases of repeated absences of less than five (5) days, provided a duplicate copy of the physician's report is given to the Employee.

34.05 Proof of Illness

An Employee may be required to produce certification (including a standing directive to do so) acceptable to the Employer and/or certification from a physician in order to qualify for sick leave, when such Employee's absences are excessive, for example, when compared to other Employees, or where the Employer has reason to suspect an Employee's absence is not legitimate, for example, a pattern of absences not explained by a medical condition. This information will be kept in a secure location and will be handled with utmost confidentiality.

Any standing directive shall be reviewed after each three (3) month period to determine whether it should be withdrawn and the Employee shall be notified within five (5) working days of the decision. The Employer shall notify the Employee in writing of the reason for the standing directive, and/or the reason for the decision not to withdraw a standing directive.

34.06 Review of Sick Leave Entitlement

- (a) The level of sick leave entitlement in 34.03 (d) above is intended primarily to provide income protection in cases of major illness or injury during the qualification period for the insured **long term disability plan**. Also it provides coverage for short-term absence, reasonable in incidence and duration, due to illness or injury. Short-term absences are defined as absences of less than two (2) calendar week's duration.

Without detracting from any other rights of the Employer, if the frequency and/or amount of an Employee's short term absence in any twelve month period is excessive and if it is not attributable to a continuing medical condition, the Employee shall qualify for a maximum of eight (8) days of paid sick leave in the ensuing twelve month period. However, the Employee will qualify for regular coverage in the event of major illness or injury.

This limitation shall be withdrawn if after 12 months of active employment, the amount and/or frequency of short term illness returns to normal.

- (b) Where an Employee's usage of sick leave is excessive (for example, based on the average usage of other employees), the Employer may, upon notice, advise an Employee that for the following twelve (12) month period, there will be no benefits paid for the first day of any subsequent absence(s).

Any disagreements relating to any entitlement under this Article 34.06 will be adjudicated by a panel comprised of a representative of the Union, a representative of the Employer and an agreed upon third party who may be an employee of the University. The decision of this panel is final and binding and there is no recourse to Arbitration for either party.

34.07 An Employee returning to work upon the expiration of a period of sick leave (as defined in Article 34.01) shall return to her/his original position. This period will be extended by twelve (12) months from the date the Employee completes the elimination period under the terms of the **long term disability plan**, pursuant to 34.03(e), provided the employee is approved for LTD benefits. If an Employee's position is eliminated while they are on sick leave, they shall receive notice of lay-off on the same basis as other

Employees in accordance with Article 11. However, any entitlement to sick leave and salary continuance shall not be affected by such lay-off notice.

34.08 An Employee who has been absent from work as a result of a disabling injury or illness and who is not entitled to return to their former position pursuant to 34.07 but who has been absent for less than thirty (30) months, who wishes to return to work at the University, shall submit a medical certificate to the **Director of Employee Relations, Human Resources** confirming that the Employee is medically fit to resume work. The procedures set forth in Article 34.09 herein shall apply upon receipt of such a certificate but any entitlement under these articles will lapse at a date which is twenty-four (24) months from the expiry of paid sick leave as provided in Article 34.03(d) herein.

34.09 (a) An Employee returning to work pursuant to Article 34.08 shall have their name placed on the re-employment list until his/her rights lapse pursuant to Article 34.08 or until s/he successfully relocates to another position. It is the responsibility of the Employee to keep the Employer informed of her/his current address and telephone number. The Union shall be provided with the up-to-date re-employment list and shall be advised of any changes as they occur.

(b) All vacancies shall be reviewed and postings selectively suspended by agreement between the Employer and the Union in those instances where an Employee who is returning to work pursuant to Article 34.08 appears to be qualified to fill any comparable position to be posted. In the event of disagreement between the Employer and the Union, the position will be posted.

(c) Such employees shall be considered first to determine whether, in the Employer's assessment, s/he has the requisite skill, aptitude and ability to perform the basic duties of the job in a satisfactory manner. Such consideration shall be without competition from any other Employee. If there are two or more persons on the re-employment list who apply for the vacancy concerned, they shall be given priority consideration by seniority. Appropriate vacancies shall be those at the same classification level for which the person is qualified.

(d) The initial appointment to a new position will be by temporary transfer. In accommodating such transfers, University departments will provide an additional one (1)

month's training, if necessary, beyond the normal familiarization period for new staff. During the first three (3) months in such an appointment, an assessment of performance against position requirements will be conducted after one (1) month and after three (3) months. If, during this period, either the Employee or the department wishes to terminate the temporary transfer, the Employee will maintain re-employment rights until their rights expire pursuant to Article 34.08. If a transfer is mutually satisfactory at the conclusion of the three (3) month assessment period, it shall be confirmed in writing and the Employee shall become a regular staff member in the department.

34.10 Alcoholism and Drug Abuse

Without detracting from the existing rights and obligations of the Parties recognized in other provisions of this Agreement, the Employer and the Union agree to co-operate in encouraging Employees afflicted by alcoholism or drug dependency to undergo a recognized program directed to the objective of their rehabilitation.

ARTICLE 35.00 - Leaves of Absence

35.01 Court Leave

Leave of absence without loss of pay shall be given to every Employee, who would otherwise be at work, who is required to:

- (a) serve on a jury provided the Employee reimburses the Employer any monies received for sitting on the jury, excluding payment for travel, meals, or other expenses; or
- (b) attend by reason of being a plaintiff or defendant, unless the Employer is a principal party in the action; or

The days shall normally be consecutive, and shall be taken at the time of death, funeral or memorial service.
- (b) If there is a death in an Employee's family as defined under (a), while the Employee is on vacation, the Employee is entitled to use bereavement leave, pursuant to (a), rather than vacation days as scheduled.
- (c) Request for such leave must be directed to the Employee's immediate supervisor.

35.03 Leave for Family Illness

In the case of illness of an Employee's parent, spouse, or child, the Employee may be granted leave with pay for up to three (3) days **per calendar year** for the purpose of caring for such family member(s) provided such family member(s) requires care and no one other than the Employee can provide such care. The Employer may require proof of the need for such leave as they consider necessary. These days shall be deducted from the Employee's sick leave entitlement.

35.04 Conferences and Seminars

35.05 Compassionate Care Leave

A qualified Employee shall be granted Compassionate Care Leave in accordance with the

provisions of the Nova Scotia Labour Standards Code.

35.06 Other Leaves

Except as otherwise provided, nothing in this Agreement shall restrict the right of the Employer, through the Department Head and the **Director of Employee Relations, Human Resources**, to authorize leaves of absence with or without pay for emergencies or special circumstances.

ARTICLE 36.00 - Pregnancy, Parental, Adoption and Paternity Leave

Pregnancy Leave

36.01 The Employer shall not terminate the employment of an Employee because she is pregnant. An Employee, who has passed her probationary period, and any agreed extension thereof, shall be granted pregnancy leave in accordance with Article 36.04. However only Employees who have twelve (12) continuous months of employment with the University shall be eligible for the Supplementary Unemployment Benefit Plan.

36.02 Pregnancy leave must be arranged in advance with the immediate supervisor or the department head and recorded in **Human Resources**.

36.03 The Employer may require an Employee to commence a leave of absence at the time when the duties of her position cannot reasonably be performed by a pregnant woman or the performance of the Employee's work is materially affected by the pregnancy.

36.04 A qualified Employee shall be granted pregnancy leave consistent in timing and duration with the Labour Standards Code of Nova Scotia. During this period she shall be eligible to claim benefits under the Supplementary Unemployment Benefit Plan as approved by the federal government and outlined in Appendix "C" of this Agreement to a maximum of seventeen (17) weeks.

36.05 When an Employee reports for work upon the expiration of the period of leave, she shall resume work in the same position or, if the position has been eliminated, a comparable position to that which she held prior to the commencement of the pregnancy leave, with no loss of seniority or benefits accrued to the commencement of the pregnancy leave.

36.06 While on pregnancy leave, an Employee shall continue to accrue seniority for purposes of lay-off and/or job posting.

Parental Leave

36.09 The Employer agrees to modify the existing Supplemental Unemployment Benefit Plan, subject to the approval of Human Resources Development Canada, such that: When an Employee declares her/himself to be a primary care giver and qualifies for benefits under the Employment Insurance Act related to adoption, as determined by Human Resources Development Canada, the benefit payable by the Employer shall be the difference between ninety-five percent (95%) of the Employee's regular salary at the commencement of the leave and the amount the Employee receives from E.I. benefits plus any other earnings from employment, for a maximum period of ten (10) weeks. Any remaining entitlement to leave pursuant to the Labour Standards Code of Nova Scotia shall be without payment from the Employer. In the event that both adoptive parents are employed by the Employer this provision shall have application only to one of those adoptive parents.

Paternity Leave

36.10 On the occasion of the birth of his child, **an Employee who is a biological father and who is not seeking benefits pursuant to Article 36.11** shall be granted special leave with pay up to a maximum of four (4) work days. This leave may be granted on separate days.

Any remaining entitlement to leave pursuant to the Labour Standards Code of Nova Scotia shall be without payment from the Employer. This shall not apply to an Employee who is seeking benefits pursuant to Article 36.10.

Should an Employee fail to return to work or return for a period of less than that claimed under the SUB Plan (Appendix "C"), the Employer shall review each case on its own merits and may, at its option, require the Employee to repay all or part of the benefits received under the SUB Plan.

ARTICLE 37.00 - Holidays

37.01 The Employer agrees that the following shall constitute paid holidays for all Employees **who are not on an unpaid leave:**

New Year's Day	Munro Day

Christmas Day	Boxing Day
HRM Natal Day	

One half holiday to be scheduled by the Employer **on a day other than the holidays listed above.** and any other day proclaimed as a national holiday by the Federal Government or proclaimed as a public holiday by the Provincial Government.

In the event that two or more paid holidays fall on the same day the total number of paid holidays noted in this section shall not be reduced. The Employer at its option and in advance of the displaced holiday, may declare another day or one-half day to be generally observed as a holiday in lieu of the time so displaced. Otherwise, qualified Employees will receive a floating holiday of appropriate duration to be taken at a mutually convenient agreeable time during the same calendar year.

- 37.02 (a) Full-time Employees are entitled to all paid holidays. (For purposes of compensation a one-day holiday shall be equal to six and one-half (6 ½) hours.)
- (b) Part-time Employees are entitled to time off for paid holidays on a prorata basis according to their regularly scheduled weekly hours, i.e. in the case of a full day holiday, entitlement would be 1/5 of their regularly scheduled weekly hours. In the case of a half-day holiday, entitlement would be 1/10 of their regularly scheduled weekly hours. For shift workers the regularly scheduled hours shall be the average weekly hours of the prior shift rotation.
- (c) Recurring Sessional Employees are entitled to paid holidays during the period they are actively employed on the same basis as regular staff.
- (d) Full-time shift workers are entitled to six and one half (6 ½) hours pay or time in lieu thereof, in accordance with Article 37.03, for holidays falling on their regularly scheduled day off.

37.03 When a paid holiday falls on a Full-time Employee's scheduled day off s/he shall receive another day off within thirty (30) days at a time of her/his choice with the approval of the immediate supervisor or department head or, in lieu thereof, pay for **six and one-half (6½)** at her/his regular rate of pay. Notwithstanding the foregoing when a paid holiday falls on a Saturday or Sunday the Employer, at its option, may declare another day to be observed as a holiday, in lieu thereof, and the Union shall be notified of the exact date at least one (1) month prior to the holiday.

ARTICLE 38.00 - Annual Vacation

- 38.01 (a) The length of an Employee's annual vacation shall be determined by her/his seniority but, for the purpose of this article, seniority does not include pregnancy/parental leaves or leaves of absence without pay.
- (b) Taking a pregnancy leave will affect the annual vacation an Employee is entitled to in the vacation year(s) immediately following such leave, however, pregnancy leave will not affect their entitlement to subsequent vacation pursuant to Article 38.07 (b) and (c).
- (c) Vacation entitlement shall be calculated on the basis of a regular six and one half (6 1/2) hour work day.
- 38.02 An Employee shall receive regular salary for the period of annual vacation.
- 38.03 The vacation year shall be considered to be the period from June 1st to the succeeding May 31st, except for Recurring Sessional Employees where Article 18.05 shall apply.
- 38.04 Except as provided in Articles 38.08 and 38.10, vacations shall be taken within this period at a time authorized by the department head "or designate" concerned, with due consideration being given to the efficient operation of the department and the personal wishes and seniority of the Employees. All requests for and approval or denial of vacation shall be in writing. Any request for a change in scheduled vacation shall be in writing and may only be changed with the written approval of the department head or designate. Where the vacation time requested by the Employee is not approved, the Employee shall, upon request, be provided the reasons in writing.
- 38.05 Where an Employee has become sick in excess of three (3) days, and it is verified that **the** Employee was hospitalized for at least 24 hours for all or a portion of this period, that period of hospitalization and one-half of the total period of such illness falling within her/his annual vacation shall be considered as sick leave and the number of vacation days which have been so displaced may be taken at a later time in the same vacation year.

The Employee must notify the Employer at the time such illness commences and must submit medical verification to the satisfaction of the Employer in order to qualify for sick leave in these circumstances.

38.06 Initial Vacation

Employees commencing employment with the University during one vacation year shall be entitled to vacation with pay during the following vacation year in the amount of one and one-quarter (1 1/4) days for each complete month of seniority (pro-rated for partial months) during the qualifying vacation year.

ARTICLE 41.00 - Grievance Procedure

41.01 For the purpose of this Agreement a grievance is defined as a claim by an Employee, the Union, or the Employer that there is a complaint or disagreement relating to the meaning, application, interpretation or alleged violation of this Agreement.

A Union grievance shall concern matters of general application or those involving the interpretation/administration of the collective agreement. Although a Union grievance may affect a specific individual, it is not intended to bypass the regular grievance procedure provided for Employees.

41.02 A grievor shall have reasonable time off without loss of pay to consult her/his steward when

meeting with the Employer in the grievance process.

41.03 An Employee who feels that s/he has a grievance shall first discuss the matter with the immediate supervisor within ten (10) working days of the occurrence of the incident or cause giving rise to the grievance and may have a Union representative present during such discussions if so desired by the Employee. The supervisor shall provide the Employee with an answer to the grievance within three (3) working days of the discussions.

When any matter cannot be settled by the foregoing informal procedure it shall be submitted to the steps of the grievance procedure specified in Article 41.05 and the supervisor shall be notified accordingly.

Where the immediate supervisor is the Department Head the Employee may present the grievance at Step Two. In this event the grievance shall be in writing, on the prescribed form (see Appendix "D"), shall specify the section or sections of this Agreement alleged to have been misinterpreted, misapplied or violated and shall specify the redress sought. A copy of the written grievance shall be provided concurrently to the Department Head.

41.04 When a grievance is submitted to the steps specified in Article 41.05 the Employee shall be accompanied by a representative of the Union.

41.05 STEP ONE

If the Employee is not satisfied with the decision of the immediate supervisor, s/he, within ten (10) working days of receipt of that decision, may present the grievance in writing to the Department Head. Such written grievance shall be on the prescribed form, (see Appendix "D") shall specify the section or sections of this Agreement alleged to have been misinterpreted, misapplied or violated, and shall specify the redress sought. If the Employee does not receive a satisfactory settlement within eight (8) working days from the date on which the grievance was presented, the Employee may proceed to Step Two.

STEP TWO

Within ten (10) working days from the expiration of the eight (8) day period referred to in Step

One, the Employee may present the grievance as written to the **Director of Employee Relations, Human Resources**. Any formal proposal of settlement of the grievance presented at Step One and correspondence must accompany the grievance when it is presented to the **Director of Employee Relations, Human Resources**. The **Director of Employee Relations, Human Resources** shall reply in writing to the Employee within twelve (12) working days **from the date of the Step Two grievance meeting**. If the Employee does not receive a reply or satisfactory settlement of the grievance from the **Director of Employee Relations, Human Resources** the Employee may refer the grievance to Arbitration as provided in Article 42.00 hereof.

41.06 A grievance to be initiated by the Union shall be presented in writing to the **Director of Employee Relations, Human Resources** at Step Two within fifteen (15) working days of the Union being notified of the occurrence or cause giving rise to the grievance. Such written grievance shall be on the prescribed form, (see Appendix "D") shall specify the section or sections of this Agreement alleged to have been misinterpreted, misapplied or violated, and shall specify the redress sought. Failing settlement, the arbitration provisions set forth in Article 42.00 shall apply.

41.07 A grievance to be initiated by the Employer shall be presented in writing to the Union's Employee Relations Officer, with a copy to the President of the Local at Step Two within fifteen (15) working days of the Employer being notified of the occurrence or cause giving rise to the grievance. Such written grievance shall be on the prescribed form, (see Appendix "D") shall specify the section or sections of this Agreement alleged to have been misinterpreted, misapplied or violated, and shall specify the redress sought. Failing settlement, the arbitration provisions set forth in Article 42.00 shall apply.

41.08 The time limits referred to above and also in Article 42.00 (Arbitration Procedure) shall be strictly adhered to unless extended by mutual agreement of the Employer and Union. Requests for extensions must be made in writing to the Union's Employee Relations Officer, with a copy to the President of the Local if requested by the Employer, or to the **Director of Employee Relations, Human Resources** if requested by the Union.

41.09 Grievances alleging violations of Article 11.00 -- Lay-off, Redeployment and Recall (pertaining to recalls only); Article 25.00 -- Job Posting (except in those cases where the current supervisor is the hiring supervisor); Article 33.00 -- Wage Rates; Article 40.00 -- Discipline and Discharge (pertaining to

discharge only); Article 44.00 -- Sexual Harassment may be filed directly at Step Two within ten (10) working days of the occurrence of the incident or cause giving rise to the grievance.

41.10 Regardless of any provision herein to the contrary, the Employer and the Union may agree to omit any or all of the procedures and/or steps set forth in the article and refer a grievance directly to arbitration as specified in Article 42.00.

ARTICLE 42.00 - Arbitration Procedure

42.01 The Employer, the Union **and the Arbitrator/Arbitration Board** shall make every effort to promote and ensure the speedy dispatch of arbitration cases. Both Parties wish and expect Arbitration Boards and single arbitrators named under this article to observe the time limits specified, to conduct business and to render decisions with as much expedition as is reasonably possible.

42.02 When either party requests that a grievance be submitted to arbitration, the request shall be made within fifteen (15) working days of the date when the final decision referred to in Articles 41.04, 41.05 or 41.06 was made or should have been made. Such request shall be in writing and shall notify the other party of its desire to submit the difference or allegation to arbitration and the notice shall contain the name of the person appointed to be an arbitrator by the party giving the notice.

42.03 The party to whom notice is given shall, within five (5) days after receiving the notice, name the person whom it appoints to be an arbitrator and advise the party who gave the notice of the name of its appointee.

42.04 The two arbitrators named in accordance with this provision shall within five (5) days after the appointment of the second of them name a third arbitrator who shall be the Chairperson of the Arbitration Board.

42.05 If the party to whom notice is given fails to name an arbitrator within the period of ten (10) days after receiving the notice, or if the two arbitrators named by the Parties fail to agree upon the naming of the Chairperson within ten (10) days after the naming of the second arbitrator, the Minister of Labour of Nova Scotia shall, at the request of either party, name an arbitrator on behalf of the party who failed to name an

arbitrator or shall name the Chairperson, as the case may be, and, if the case so requires, the said Minister shall name the second arbitrator and Chairperson.

The Arbitration Board named under this provision shall hear relevant evidence adduced relating to the difference or allegation and argument thereon by the Parties or counsel on behalf of either or both of them and make a decision on the difference or allegation and the decision shall be final and binding upon the Parties and upon any person on whose behalf this Agreement was made. The decision of the majority of the members of an Arbitration Board named under this provision shall be the decision of the Board and if there is no majority decision the decision of the Chairperson shall be the decision of the Board.

42.06 Regardless of any article herein to the contrary, should both Parties agree, a single arbitrator may be used instead of a three (3) member Arbitration Board. It is agreed that the appointment of a single arbitrator shall be seriously considered by both Parties in cases concerning an Employee's seniority or salary.

42.07 (a) On selection, the Chairperson of the Arbitration Board or the single arbitrator shall, with all possible dispatch, arrange for the case to be heard. In any event, the hearing will take place within forty-five (45) calendar days of her/his selection unless this requirement is expressly waived by the Parties to the Agreement.

(b) The Chairperson of the Arbitration Board or the single arbitrator shall render a written decision with all possible dispatch and, in any event, within thirty (30) calendar days following the hearing. **The Union and the Employer may mutually agree to a further extension of up to thirty (30) days.**

42.08 The Arbitration Board or single arbitrator shall have the power to modify or set aside any penalty imposed by the Employer relating to the disciplinary matters before them, but shall not have the power to add, subtract or modify any terms of this Agreement, or to make any decision inconsistent with this Agreement.

42.09 An Employee who is required to attend an arbitration hearing by reason of being a grievor or a witness at such hearing shall be permitted to be absent from work for the required period and shall suffer no loss in normal pay.

42.10 Any member of the Arbitration Board or the single arbitrator named under this article shall have access to university premises to view working conditions, machinery or operations which may be relevant to the resolution of the grievance.

42.11 Each party who is required to name a member of the Arbitration Board shall pay the remuneration and expenses of the member and witness(es) and the Parties shall pay the remuneration and expenses of the Chairperson, or a single arbitrator in accordance with Section 43 (2) of the Trade Union Act.

ARTICLE 43.00 - No Discrimination

43.01 The Parties agree that there shall be no discrimination or harassment exercised or practiced with respect to any Employee by reason of marital status, whether or not the Employee has children, familial relationship, race, creed, colour, sex, sexual orientation, ethnic or national origin, physical or mental disability (providing the disability does not preclude the Employee carrying out assigned duties to the extent permitted by the Human Rights Act, Nova Scotia), age (except as may be permitted by the Human Rights Act, Nova Scotia), religious or political affiliation or lack of affiliation, place of residence, or Union affiliation or involvement.

ARTICLE 44.00 - Sexual Harassment

44.01 The Employer and the Union agree that it is of mutual benefit to support the procedures and recommendations outlined in the Dalhousie University Sexual Harassment Policy hereafter referred to as the Policy. It is recognized that such procedures and recommendations may be modified in accordance with the Policy.

44.02 The Employer and the Union acknowledge that an Employee within the **Bargaining Unit** alleging or accused of sexual harassment shall continue to have the right to Union representation where consistent with procedures established under the Policy.

44.03 An Employee may make a complaint of sexual harassment through the procedures outlined in

the Policy or alternatively, at her/his option, at Step Two of the grievance procedure specified in Article 41.00 of this Agreement, but shall not do so concurrently. In the event that an Employee uses the procedures outlined in the Policy the time limits for filing the same complaint under Article 41.00 shall be extended to a maximum of ten (10) working days from the date on which the Administrative Head of Unit forwards his/her decision on the case in accordance with sections 41 or 43 of the Policy or from the date the Employee withdraws from the procedure, whichever is applicable.

44.04 When authorized in writing by an Employee who is a complainant or respondent in an action being processed in accordance with the Policy, the appropriate Union representative shall be provided with all documented information relative to the case as may be permitted by the operating procedures established by the Policy.

44.05 Nothing in this article shall be construed as restricting the Employer's rights to manage the University including the right to determine and impose appropriate discipline.

ARTICLE 45.00 – Personal Harassment

45.01 The parties agree that they are committed to a working and learning environment that is free from personal harassment and agree that it is of mutual benefit to support the procedures and definitions outlined in the Dalhousie Personal Harassment Policy as may be amended from time to time.

ARTICLE 46.00 – Employment Equity

46.01 The Employer agrees that the Union shall have the right to be represented on the Council on Employment Equity through Affirmative Action.

ARTICLE 47.00 - Employee Records

47.01 For the purpose of this article, personnel files shall be those records pertaining to the employment of individual members of the **Bargaining Unit** as may be maintained by their current

Departments and/or **Human Resources**.

47.02 All information contained in personnel files relating to disciplinary matters or to an Employee's job performance, financial status or health shall be considered confidential and shall not be released without the express written consent of the Employee involved except as required by law or the internal administrative purposes of the Employer.

47.03 A copy of any disciplinary document to be placed in an Employee's personnel file shall be supplied concurrently to the Employee. Such document shall be placed in an Employee's file within ten (10) days of the occurrence of the incident or cause giving rise to the disciplinary action **or within ten (10) days of the date of that Employer had knowledge of the incident or cause, or had sufficient information to determine the appropriate disciplinary action.**

47.04 An Employee, and/or the NSGEU Employee Relations Officer, Local President, and/or Stewards (upon written request of the Employee), shall have the right to examine, upon appointment and during regular office hours, all documents in her/his personnel file except for confidential references recorded or obtained during the appointment process, which shall be held confidential. On written request to the supervisor concerned an Employee or, upon the written request of the Employee, the E.R.O., Local President and/or Stewards may receive, at her/his own expense, copies of any documents to which s/he has the right of examination.

ARTICLE 48.00 - Pay Periods

48.01 All Employees shall be paid by direct deposit on the twenty-seventh day of each month or, in the event that this is a non-working day, on the working day immediately preceding the twenty-seventh. In December of each year Employees shall be paid prior to Christmas Day but not earlier than December 17th.

48.02 A payroll error in excess of twenty dollars (\$20.00) shall be corrected and an appropriate cheque shall be issued or deposit made within two (2) working days of being brought to the attention of **Human Resources** by the Employee's supervisor.

ARTICLE 49.00 - Future Legislation

49.01 In the event that any laws passed by the Legislature applying to the Employees covered by this Agreement render null and void any provision of this Agreement, the remaining provisions of this Agreement shall remain in effect for the term of the Agreement.

ARTICLE 50.00 - Revision or Waiver by Mutual Agreement

50.01 The Employer and the Union agree that any provision in this Agreement except that relating to its duration may be cancelled, waived, or amended by mutual agreement.

ARTICLE 51.00 - Copies of Agreement

51.01 The Employer agrees to supply each employee in the **Bargaining Unit** with a copy of this Agreement as soon as possible after the date of signing and also to supply one to each new employee as soon as is reasonably possible following their appointment. The Employer and the Union will bear the cost of printing equally.

ARTICLE 52.00 - Duration of Agreement

52.01 This Agreement shall be in effect for a term beginning July 1, **2007**, to and including June 30, **2010**, and shall be renewed thereafter unless either party gives to the other party notice in writing consistent with Section 34 of the Trade Union Act of Nova Scotia, that it desires to amend its provisions.

APPENDIX "C" (Page 1)
SUPPLEMENTARY UNEMPLOYMENT BENEFIT PLAN
FOR
Members of Nova Scotia Government and General Employees Union

Purpose

The purpose of the plan is to supplement unemployment insurance benefits **in accordance with Article 36.12.**

Administration

The Employer will administer the plan and, subject to the provisions of the collective agreement and the provisions contained herein, will be the only authority for determining eligibility for benefits under the plan.

Plan Funding

The Employer's contribution to the SUB plan will be paid from operating funds. A separate accounting will be maintained on all SUB plan payments. Since no trust fund will be established, the Union members will have no vested interest in such a fund.

APPENDIX "C" (Page 2)

Eligibility

Any Employee in the Bargaining Unit, as defined in the collective agreement, having been employed with the University for a minimum of twelve (12) months, who is granted leave consistent in timing and duration with the Labour Standards Code of Nova Scotia, will be eligible for benefits under the plan **in accordance with Articles 36.04, 36.09 or 36.11**, provided the employee has registered at and complied with the reporting requirements of the Employment Insurance Commission and the University, and qualifies under the Employment Insurance Act for employment insurance benefits and supplementary benefits as outlined herein.

Benefit

The benefit payable by the Employer under the SUB plan is a weekly amount, which combined with the employment insurance benefit and any other earnings from employment, will equal 95% of the Employee's normal authorized prorated annual salary from service with the University at the commencement of the leave. The Employee will receive as the sum total of SUB payments and any other earnings, a

maximum benefit equal to 95% of her normal university salary during the waiting period since employment insurance benefits will not be paid. All amounts paid under the plan will be subject to normal income tax deductions.

Benefit Non-Entitlement

1. Total benefits are not payable for any period in which the Employee is disqualified or disentitled from receipt of benefits under the Employment Insurance Act.

APPENDIX "C" (Page 3)

2. Benefits are not payable if:
 - (a) the Employee has been dismissed or suspended without pay as per Article 40.00 of the collective agreement;
 - (b) the Employee has terminated **his**/her employment through resignation;
 - (c) an application is made during a period when the Employee is currently on strike, participating in picketing or concerted work interruptions;
 - (d) the Employee is on an approved leave of absence without pay;
 - (e) the Employee is receiving insurance benefits under the University's long term disability plan.

Application for Benefits

A claimant for benefits under this plan must sign an undertaking with the University on a prescribed form (see end of Appendix "C") providing that:

- (a) **s/he** will return to work on the working day immediately following the expiry date of her/**his** leave, or any authorized extension thereof, and
- (b) **s/he** will remain in the employ of the Employer for at least the same number of weeks as benefits were claimed following her/**his** return to work, and
- (c) should **s/he** fail to return to work as provided under (a) above the Employer at its option, may require her/him to repay the full amount of Supplementary Unemployment Benefits received during the entire period, and

APPENDIX "C" (Page 4)

- (d) should **s/he** leave the Employer's employ before the committed period has elapsed as provided under (b) above the Employer at its option, may require her/his to repay a proportion of such benefits equal to that proportion of the committed period s/he has not worked.

Benefit Adjustment

If the Employer determines that any benefit paid under the plan should not have been paid or should have been paid in a lesser amount, the amount of overpayment will be recovered from any subsequent benefit payable under the plan, or by making a deduction from any future monies payable by the Employer to the employee.

Other Staff Benefits

A Full-time or Regular Part-time Employee shall continue to participate in the group life insurance, long term disability insurance, pension plan and may continue the dental plan, voluntary group term life insurance, voluntary personal accident insurance and major medical plan. The Employee's portion of

the applicable premiums and pension contributions would be deducted from the Supplementary Unemployment Benefit payments made by the Employer. Although eligibility for long term disability benefits is maintained, benefit payments will not be made during the term of the leave.

Interpretation/Grievances

No question involving the interpretation or application of the Employment Insurance Commission portion of the benefit will be subject to the formal grievance procedure provided for in the collective agreement between the Employer and the Union acting as bargaining agent for the employees covered by the plan.
